Re: PS Docket 07-114

Dear Ms. Dortch:

Pursuant to Section 1.1206(b) of the Commission's rules, this letter is to inform the Commission that on Tuesday, September 14, 2010, Terry Hall, Second Vice President of APCO International, and the undersigned met with Angela Giancarlo of Commissioner McDowell's office, Louis Peraertz of Commissioner Clyburn's office, and Rick Kaplan and Jennifer Flynn of Chairman Genachowski's office to discuss the above-captioned proceeding. We reiterated our support for county-wide measurement of E911 location accuracy, consistent with documents that APCO has previously submitted in the record. We also emphasized the need for carriers to provide reports to PSAPs, the Commission, and other interested parties regarding geographic areas that do not satisfy relevant location accuracy requirements.

Please contact the undersigned should the Commission have any questions.

Respectfully submitted,

/s/
